## DIRECTOR

### MESSAGE

At HEI Power System, we're not just a company; we're a dedicated team passionate about delivering reliable and innovative solutions for industrial automation and electrification. Our shared commitment to quality and customer satisfaction drives us to consistently meet and exceed your expectations.

Thank you for trusting HEI Power System. Together, we're powering a brighter future.

### ARJUN SINGH

### VISION

HEI's vision is to revolutionize our lives, work environments, and overall well-being by harnessing cutting-edge technologies and implementing seamless automation solutions.

### MISSION

HEI's commitment extends beyond just harnessing technology and automation. We are dedicated to enhancing sustainability through energy-efficient products and solutions

### A B O U T O F

## HEI POWER SYSTEM

HEI Power System Private Limited specializes in providing customized industrial process control and electrification solutions. Our comprehensive support covers the entire project lifecycle, from conceptual design to ongoing support.

Our dynamic team ensures a tailored approach, comprising skilled service engineers, proactive sales and marketing professionals, a dedicated project execution team, and specialized members.

**2014**

Mr. Arjun Singh founded a Service based company in the name of Hindustan Electrical Infra

**2020**

Partnership for Sales and Service of Electrical Drives and PLC Automation Products with a Global giant ABB in the field of Electrification and Automation

**2022**

HEI authorized to sell ABB LV and MV Switchgear products and services. HEI Team transitioned to own new office facility situated within Malviya Nagar Industrial Area.

**2024**

HEI added Havells, Hager and Socomec products to Portfolio.

**2019**

HEI Power System Pvt Ltd coined as a new brand name for Hindustan Electrical Infra

**2021**

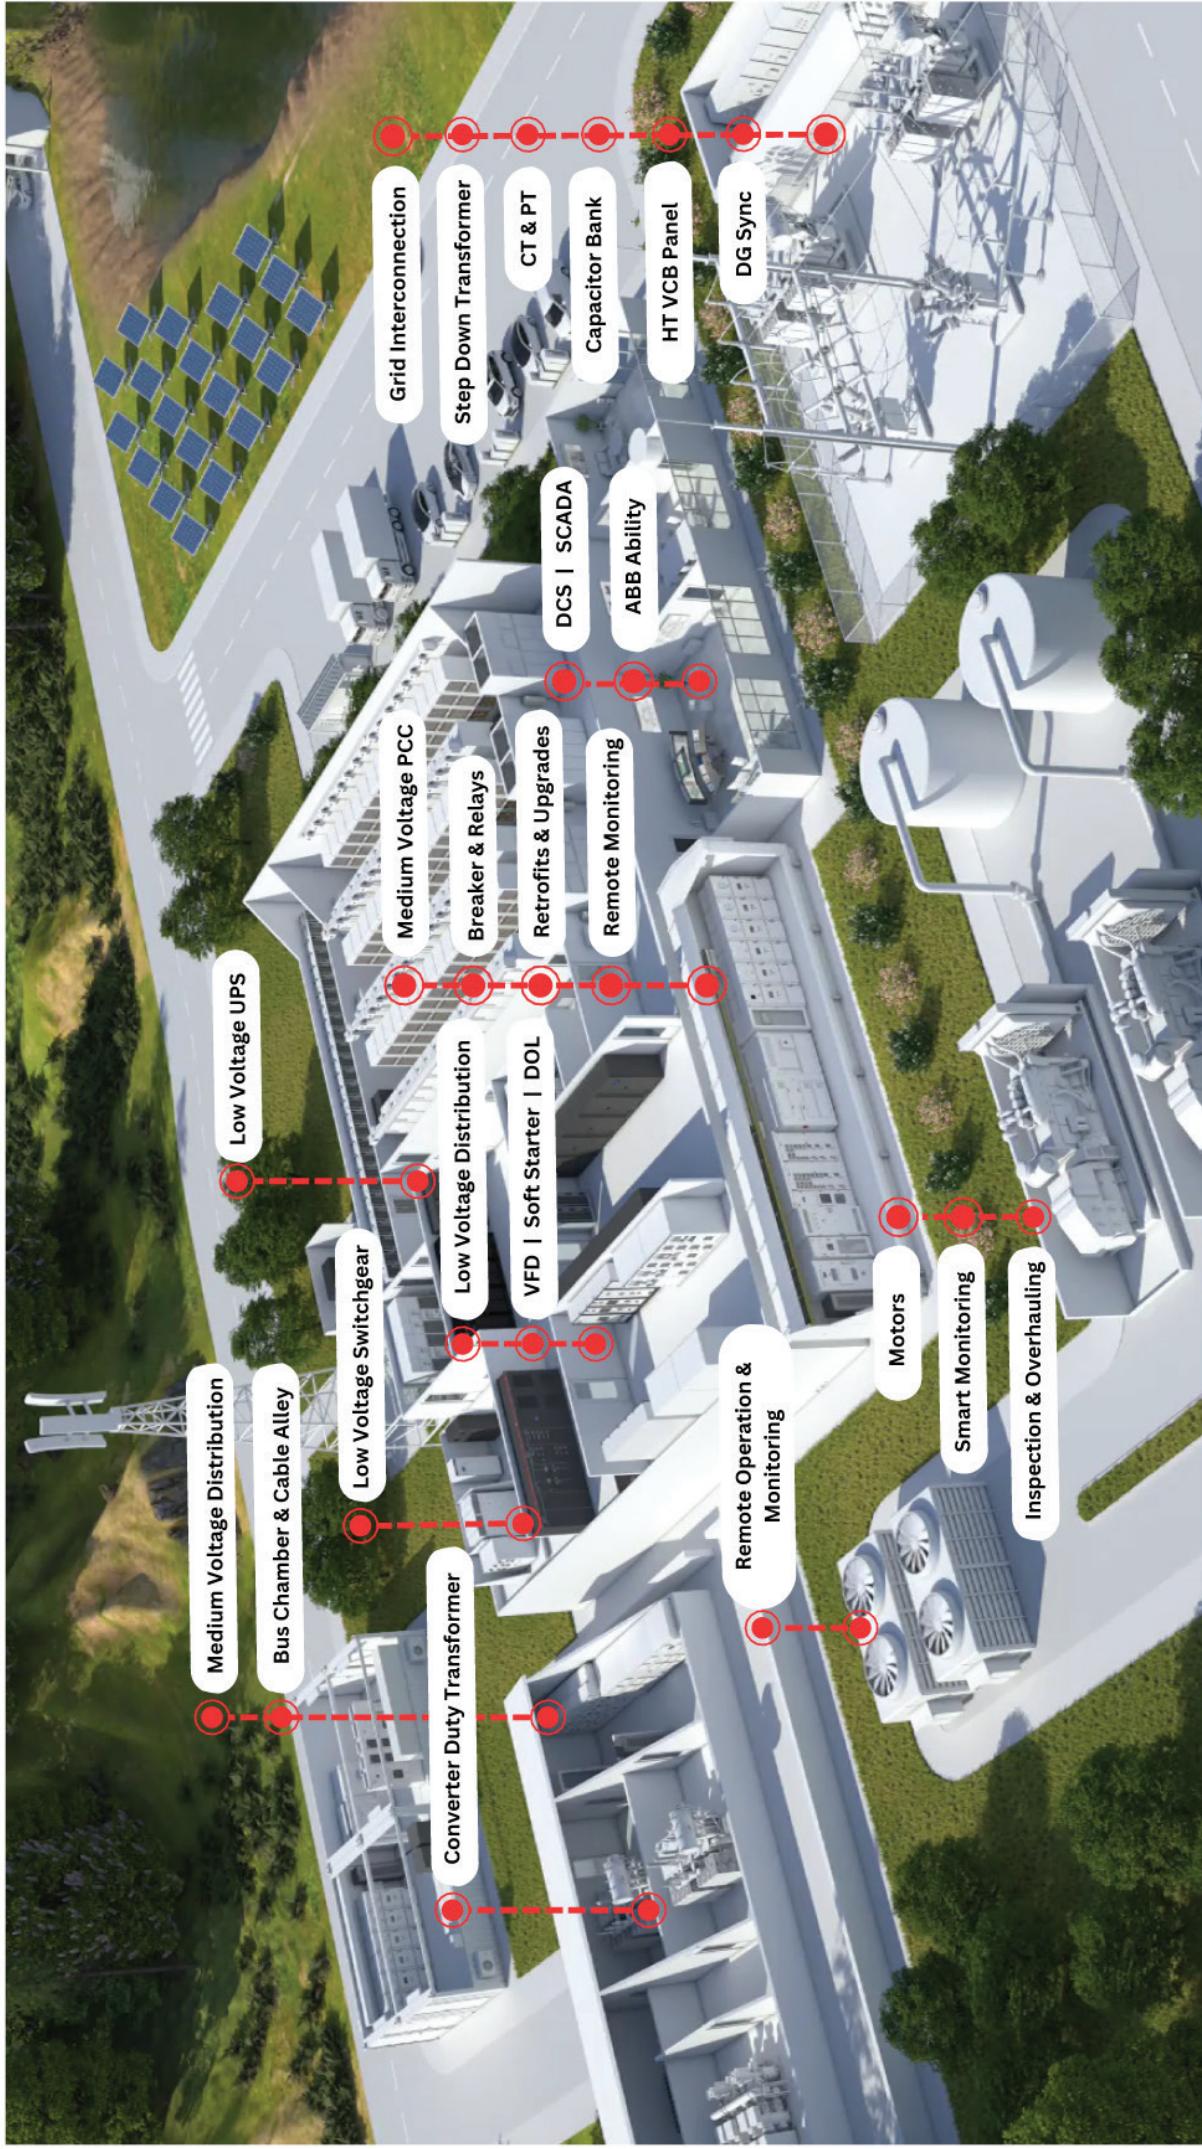

ABB appointed HEI to sell LV Motor products HEI collaborated with Mitsubishi, Masibus, Trinity, and Eveready to sell their products.

**2023**

HEI appointed as ABB Authorized Service Partner for Drives and LV Switchgear Products Added Hitachi, Hindustan Motors, and T-Power products to serve our clients

# Comprehensive EPC Solution

## Electrification and Automation

**ABB**

**Hitachi Energy**

**MITSUBISHI ELECTRIC**

**EPCOS**

**socomec**

**Hindustan  
ELECTRIC MOTORS**

**POLYCAP**

**HAVELLS**

# PRODUCTS

## Drive System

Industrial Drives | General Purpose Drives | Machinery Drives | Micro Drives | Water and HVAC Drives | DC Drives | Servo Drives | Solar Drives | Regenerative Drives | Ultra-low Harmonic Drives

## Motor

General Performance Motors | Process Performance Motors | Brake Motors | Roller Table Motors | Smoke Extraction Motors | High Dynamic Performance Motors | Motor for Explosive Environment

## PLC Automation

Compact PLC for economical solutions | Powerful PLC for high-speed machinery and networking solutions | Extreme Condition PLC for use at high altitudes and in humid environments | Integrated safety PLC for simple and complex safety solutions | Economical HMI for Standard Functions | Robust HMI | Pro HMI

## Distributed Control System

Programmable Automation Controllers | Comprehensive range of high-performance I/O Modules | Range of easy-to-use, intuitive Human System Interface Solutions | ABB Ability System 800xA for distributed process control (DCS), electrical control and monitoring (ECS), safety (SIS), and more

## OUR CLIENTS

# PRODUCTS

## MV Electrification Products

Vaccum Circuit Breaker | Ring Main Unit (RMU) | Numerical Relay | Potential Transformer (PT) | Current Transformer (CT) | Step-Down Transformer | GO-DO | LT and HT Cable | Power Factor Correction Capacitors | Bus Duct

## Control and Power Gear

Soft Starter | DOL Starter | Air Circuit Breaker | Moulded Case Circuit Breaker | Miniature Circuit Breaker | Motor Control Circuit Breaker | Auto/ Manual Changeover | Contactor | Relay | Timer

## Other Products

Basic Panel Meter | Multifunction Meter | Power Factor Meter | Energy Meter | Data Logger | Isolator | Transmitter | Timer & Counters | AC | DC Copocitors | CT | Active & Passive filter | Instustrial Lighting Solution | LT & HT Cables

## Electrical & Automation Panels

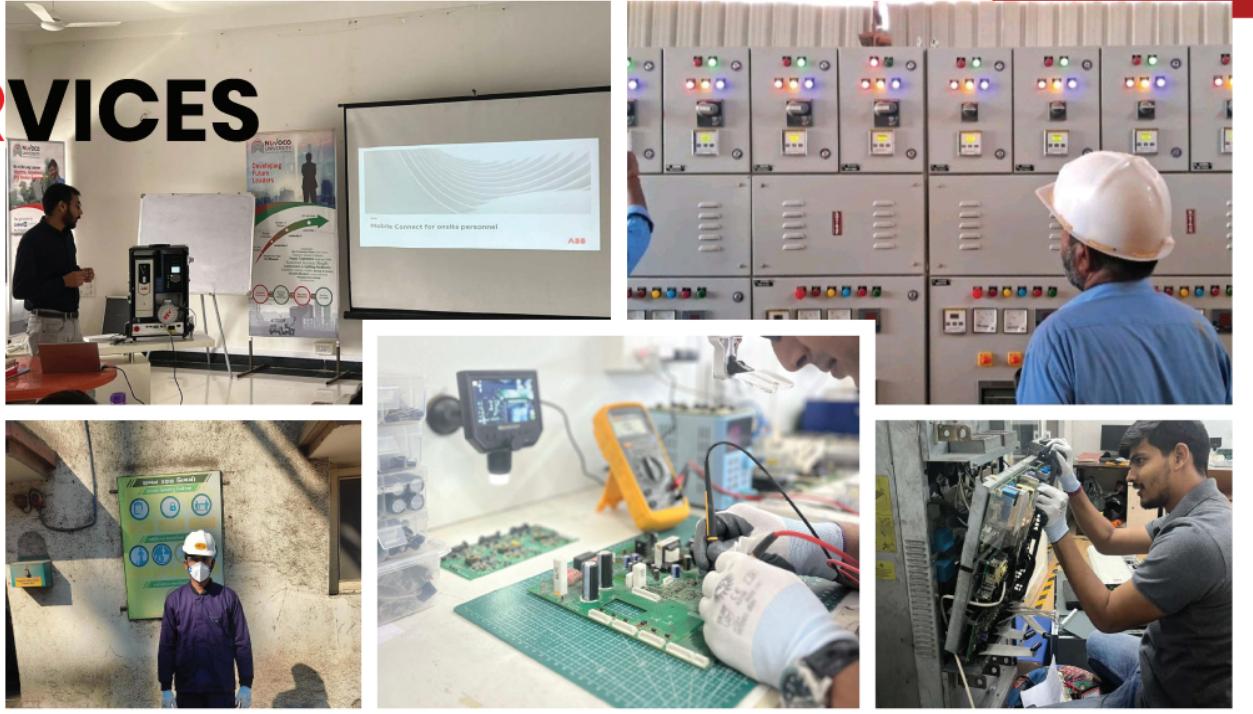

PLC-based Control Panels | VFD Panels | MCC Panels | PCC Panels | Distribution Panels | APFC Panels | DG Synchronization | load sharing Panels | MarshallingPanels | Junction boxes | Customized Panels.

## OUR CLIENTS

# SERVICES

## LV & MV SWITCHGEAR SERVICES

- Installation and Commissioning
- Relay Coordination and Commissioning
- Testing of Breakers- CRM, Time Test, HV Test
- Numerical Relay Testing
- Overhauling and maintenance

## IN HOUSE REPAIRING SERVICES

- AC, DC, Solar and Servo drives repairing
- UPS, SMPS, and other power supply repairing
- PLC-CPU, IO Modules and HMI Repairing
- ACB, VCB Repairing
- Industrial Machine PCBs Repairing

## DRIVE/VFD/VSD AND SOFTSTARTER SERVICE

- Installation & Commissioning
- Retrofit and Upgradation
- Spare Parts & PM kits
- Customized Service Contract
- Preventive Maintenance
- Trouble shooting and Repair

## PLC /DCS AUTOMATION SERVICES

- Installation and Commissioning/ Programming
- SCADA/ HMI Design and development
- Spare Parts and Service Contract
- Retrofit and Upgradation
- Preventive Maintenance
- Troubleshooting and Repair

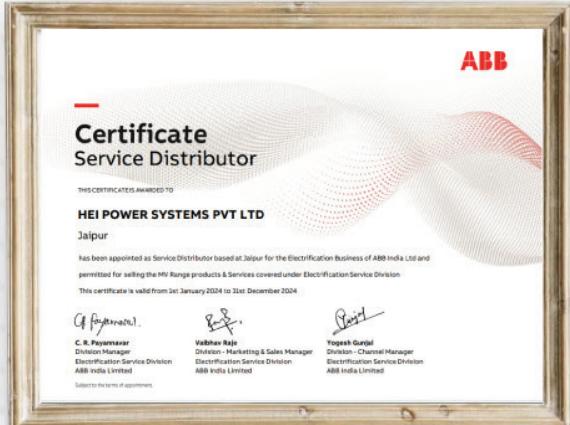

## MOTORS & GENERATOR - MACHINE SERVICES

- Installation and commissioning of Motors
- Upgradation (voltage, power, speed) & Rewinding
- Spares for ABB motors
- preventive and protective maintenance (LEAPTM/ Online Testing)

## TRAININGS

- Product Specific Trainings
- Trainings for Maintenance Planning
- Operation Trainings including Breakdown handling procedures
- Trainings for Preventive and Proactive Actions.
